

# Grüner Veltliner „Käferberg“ Kamptal DAC Reserve 2011

We have been cultivating some of the best hillside vineyards in and around Langenlois for generations. Our rich soils are combined with traditional winemaking techniques that are in perfect harmony with nature. This enables us to produce a wide range of multi-faceted and complex wines.

Käferberg (= „bug’s hill“) is a primary rock site with nearly no humus at all. 15% of this wine are fermented and aged in 500 litre barrels.
