

Riesling „Schenkenbichl“ Kamptal DAC Reserve 2011

We have been cultivating some of the best hillside vineyards in and around Langenlois for generations. Our rich soils are combined with traditional winemaking techniques that are in perfect harmony with nature. This enables us to produce a wide range of multi-faceted and complex wines.

Schenkenbichl has primary rock soils with layers of limestone. This gives the wines their stunning mineral character and soft, creamy nuances.

Site:	Schenkenbichl
Variety:	Riesling
Quality level:	DAC Reserve
Origin:	Kamptal
Soil:	Primary rock with limestone
Alcohol in % vol.:	14,0
Acidity in g/l:	6,0
